FOR PARENTS

- During arrival and dismissal, To reduce the interaction, parents/guardians will not be required to drop off or collect inside the school – where possible our teams will collect from school gate or designated drop off/collection area specific to each school
- If possible, registration will take place outside
- Fit for Sport staff can counter sign the children in and out with parents' permission, ensuring that staff/parents do not have to share pens and/or sign in on tablet
- Fit For Sport staff will wear masks where social distancing is not achievable

FOR STAFF

- On arrival ALL children and staff will be asked to wash their hands
- Avoid high fives/holding hands, our new meet and greet includes the foot tap or elbow bump
- Staff and Children will wash their hands before and after every new activity session
- Chairs and tables to be set up adhering to the latest social distancing guidelines where possible
- Staff will maintain 'social bubble' guidelines
- Hand sanitiser will be available for staff, children and parents
- Tissues/wipes will be available at all times
- Fit For Sport staff will try to ensure that physical contact children is kept to a minimum and if required relevant PPE will be provided
- Fit For Sport staff will continue to promote key messages of hygiene and well-being as per government guidelines
- Fit For Sport staff will reassure children regularly that steps are being taken to keep them safe
- Fit For Sport will prepare food for children (avoiding buffet style). Where required snack time will be staggered
- Fit For Sport staff will ensure the cleaning rota is in place to keep all resources clean and sanitised
